Consent and Acknowledgements

CONSENT FOR MEDICAL TREATMENT

I voluntarily consent to and authorize care, encompassing all diagnostic and therapeutic treatments considered necessary or advisable by the health care provider (HCP) including testing for Hepatitis B and C, HIV, and UA's in the event my blood and/or body fluids is suspected to have come in direct contact with any health care worker, to determine if my body fluids have contagious viruses. I understand that all patients will see a HCP and nurse, and that Heartland is a teaching facility in which any cases may be used to instruct pre-med, medical, nursing, or medical assistant students. All student evaluations are under the direct supervision of the attending physician.

AUTHORIZATION TO RELEASE MEDICAL INFORMATION

I hereby authorize Heartland to release any information necessary for the course of my treatment. I understand that my records are protected by HIPAA regulations and cannot be disclosed without my written consent unless otherwise provided for in the regulations at any time, except to the extent that action has already been taken in reliance upon it, by given written notice to the provider.

AUTHORIZATION OF PRESCRIPTION MANAGEMENT

I authorize Heartland to track my medications from all physicians past and present in order to document allergic reactions, adverse side effects, dosages, and other pertinent information to ensure proper treatment and management of my health care.

I consent to the statements above.

NON-COVERED SERVICES & CO-PAYS

As your medical provider, our relationship is with you and not your insurance carrier. We will file your claim to your insurance, however, **you are the sole responsible party for all charges that remain after insurance payments.** You will be responsible for your payment portion at the time of service. Failure to provide Heartland with current, accurate insurance information will result in all charges for services becoming the responsibility of the patient/responsible party. **All co-pays, co-insurance, and deductibles are due at the time the services are performed.** For patients with Medicare or Medicaid, please be advised there may be an applicable co-pay for services rendered. If we are not contracted with your insurance company, you will be 100% responsible for the payment at the time of service. Please be advised Heartland does not provide services for worker's compensation. Heartland also does not file claims for services related to motor vehicle accidents. Filing claims for auto accidents are the responsibility of the patient.

OUTSIDE LAB & X-RAY FEES

If you have labs drawn at Heartland, they will be processed by either Quest or Lawrence Memorial Hospital (LMH). The majority of Heartland's labs are processed by Quest. Labs that cannot be processed by Quest will be sent to LMH. **If your labs are processed by LMH, you will receive a separate bill from LMH** in the mail. If you are uninsured and have labs sent to LMH, please ask for the LMH Financial Assistance Application to apply for reduced LMH fees. The application will need to be mailed or taken to LMH directly. Unfortunately, Heartland has no control over these prices. Our staff can provide you with the application and contact information of the LMH Financial Counselor who can assist you.

APPOINTMENT POLICY

Late for Appointment: If you are **10 minutes late** for your appointment, you may have to be rescheduled. Your provider will attempt to work you back into the schedule, but this may be after your scheduled appointment time. If we are unable to work you in, you will have to be rescheduled. If this occurs, this will count as a missed appointment without notice.

No Show or Late Cancel: If you miss **three** scheduled appointments within a **six-month period of time** without notifying Heartland **at least by the previous business day**, you will be placed on **same-day scheduling**. Each of our providers have appointments that do not become available until 8AM that day. If you are placed on same-day scheduling, please call our office any time after 8AM to be placed in one of these appointments.

NOTICE OF PRIVACY PRACTICES & CONSUMER RIGHTS

Heartland's Notice of Privacy Practices and Patient Bill of Rights is and was available to read.

I acknowledge all of the statements above.
